

YOU CAN DRAW IT!

Copy the picture one square at a time onto the bottom grid. Color your picture when you have finished your drawing.

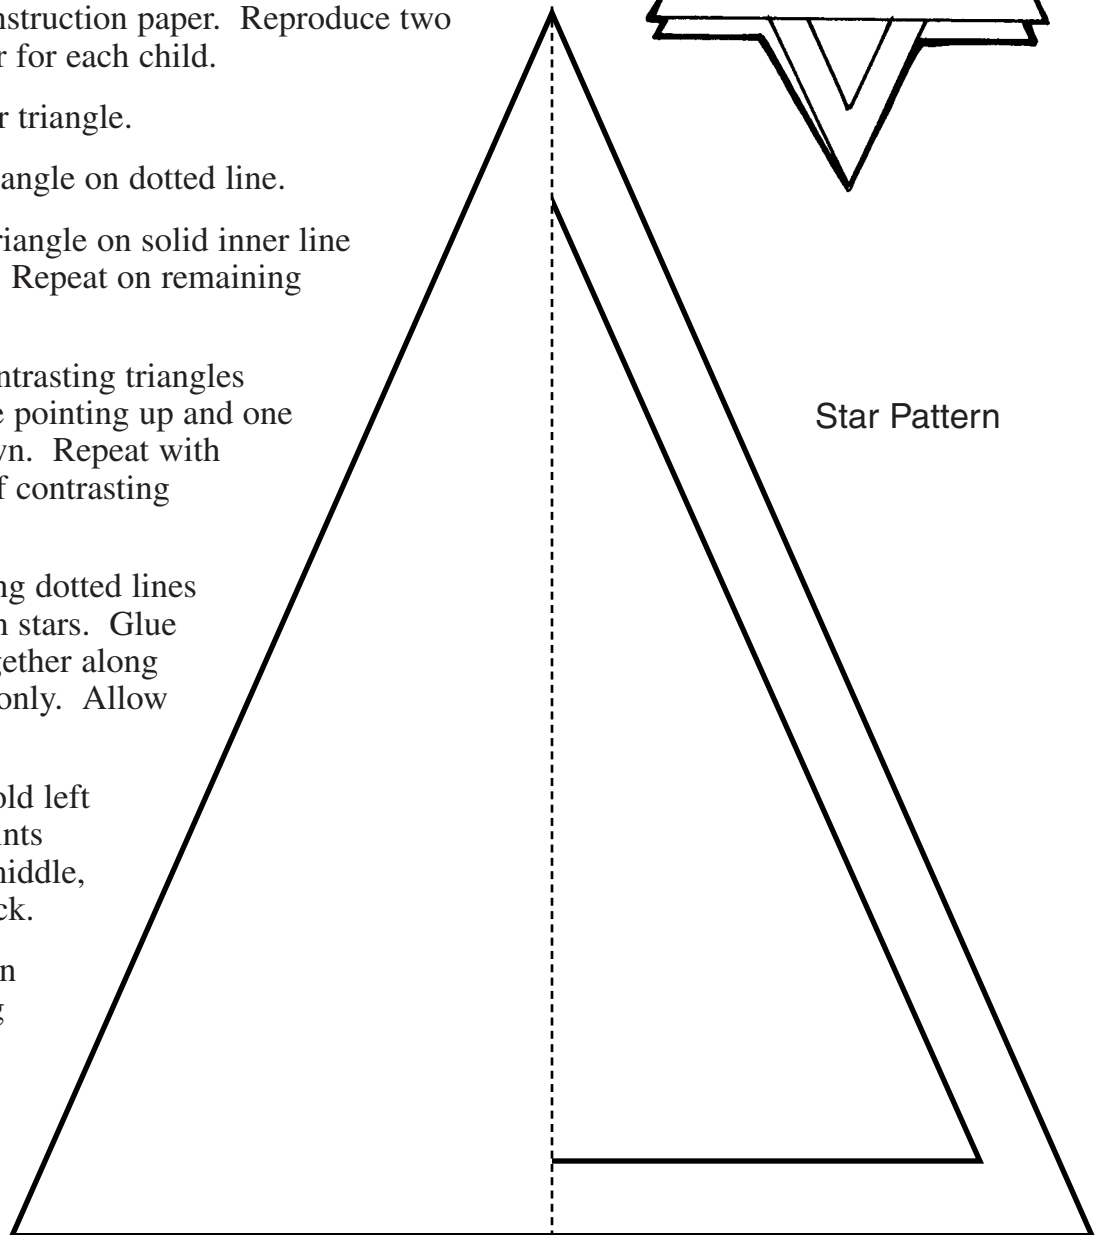

STAR OF DAVID

Materials Needed:

- ✧ glue
- ✧ scissors
- ✧ hole punch
- ✧ string
- ✧ glitter (optional)
- ✧ two contrasting colors of construction paper

Directions

1. Reproduce “star” pattern on two contrasting colors of construction paper. Reproduce two of each color for each child.
2. Cut out outer triangle.
3. Fold each triangle on dotted line.
4. Cut folded triangle on solid inner line then unfold. Repeat on remaining triangles.
5. Glue two contrasting triangles together, one pointing up and one pointing down. Repeat with second set of contrasting triangles.
6. Put glue along dotted lines remaining on stars. Glue two stars together along dotted lines only. Allow to dry.
7. When dry, fold left and right points toward the middle, front and back.
8. Punch hole in top and hang with string.

HANGING DREIDEL

Reproduce both pieces of the dreidel onto index paper. Decorate. Slit the pieces on the dashed lines and slip the pieces together as shown. Tape them in the creases. Punch a hole in the top. Thread a piece of yarn or string and hang as a decoration.
