

Pencil Holder

Materials

- Construction Paper
- Crayons
- Scissors
- Glue
- One Soup Can—Cleaned with Label Removed

Directions

1. Reproduce pattern pieces on white construction paper. Color and cut out all pieces.
2. Glue the “dad” rectangle on soup can.
3. Glue the arms to sides of the can. Fold them slightly forward for a better 3-D effect.
4. Glue legs to bottom of can. Legs can be bent to “sit” on edge of table or left flat.
